6090 Stone CNC Router

Part I:

Payment terms: 50% by T/T in advance , 50% balance by T/T before shipment.

Delivery time: about 20 days after receive down payment

Departure port: Qingdao seaport or Tianjin seaport , China

Transportation: Delivery by sea

Packing : Film package for full container

Wooden box package by sea

Part II: Machine introduction

Stone CNC Engraving machine

Machine photos:

Applicable industry:

It is suitable for bridge engineering, landscape engineering, stone background wall, tombstone engineering and other industries. Stone engraving machine can be used in natural stone, marble, granite, sand, terrazzo, jade, inkstone, ceramic tile, wood, copper, aluminum plate, carving on the full-automatic computer numerical control equipment, the main function of relief, line carving, cutting, lettering, hollowing out, carving can be divided into Yin carving, Yang carving.

Technical parameter:

Model	YD-6090
X axis working Area	600mm
Y axis working Area	900mm
Z axis working Area	160mm
Table size	800x1300mm
Positioning accuracy	$\pm 0.02\text{mm}$
Repeatability accuracy	0.05mm
Travelling speed	15000mm/min
Working speed	10000mm/min
Working table	Heavy steel structure
Guide rail	20mm square linear guide rail
Driving system	X Y axis - gear rack , Z axis ball screw
Spindle	3 KW water cooling spindle

Spindle rotary speed	6000-24000 rpm
Inverter	3 kw inverter
Driving system	Stepper motor and driver
Cooling system	Water pump (recycling water)
Control system	DSP system
Carving command	G code
Software type	Wentai ,Type 3. Artcarm
Voltage	AC220V/380V, 50Hz/60Hz
Machine weight	250kgs
Packing size	1570*1300*1680mm

PS: All the working area and specifications can be customized according to your requests.

Samples:

Packing : wooden box

Guarantee and After-sale service:

- 1.months warranty for the whole machine.
2. Technical support by phone, email or WhatsApp/Skype around the clock.
3. Friendly English version manual and operation video CD disk.
4. Engineer available to service machinery overseas.

Part III Company introduction

Company introduction:

Our company name is Beijing YanDiao CNC Machine Co.,ltd,
mainly engaged in the design, research and production of the CNC machines since
2010. Factory,over 80,000 M2 workshop , more than 600 working people ,is located
in Jinan city, Shangdong province .

Our advantage:

1. We have our own machining workshop .
All machines frame, gantry and Z axis are made by our own workshop. In this way, we can ensure our good quality and lower the cost .
2. We can design and produce according to customer's requirements.
(including machine structure , type , color , spare parts and so on)
3. We can make OEM. (with customers' own logo on the machine)
4. We have rich experience for exporting, we will prepare well all customs documents and CO for making customs successfully.

Part IV Contact information

Contact:

Company name : Beijing YanDiao CNC Machine Co.,LTD

Address: No.6,Daxingzhuang,Songzhuang Industrial Zone.Tongzhou District,Beijing,China101118
